COACHES COMMENTS

“Shanan is a very versatile player who could play any position on the field other than pitcher. She is the starting catcher for the 18U Thunder and will also see time at shortstop and in the outfield. Shanan has a good arm and is great at blocking behind the plate. She has good range and a good arm at shortstop. At the plate Shanan hits in the top of the lineup and hits for power. Shanan is an aggressive base runner as well.”
